

A close-up, low-angle shot of a person's face as they read a book. The person's eyes are focused on the pages, and their hands are visible at the bottom, holding the book open. The background is dark, and a large amount of golden-brown dust or particles is suspended in the air, creating a dramatic, ethereal atmosphere. The lighting is warm, highlighting the texture of the book's pages and the person's skin.
